6.2 **Membership in Association.** Each Owner of the Lot in the Subdivision is a Member of the Association and subject to all powers, duties, dues, liens, and assessments which may be exercised thereby. Each Owner, by accepting an interest in any Lot, hereby and thereby agree to be bound by all the conditions, limitations, reservations and restrictions as contained in this Declaration, the Articles of Incorporation of the Association, its Bylaws, and Rules and Regulations, and in the event of a breach agrees to pay all cost, including a reasonable attorney's fee, for the enforcement of these Declarations. Membership is appurtenant to, runs with, and

cannot be separated from, the real property ownership interest upon which it is based. Owners agree to maintain such membership in good standing as long as they own such property.

Article VII – Amendments; Termination

7.1 **Duration.** The conditions of this Declaration shall run with the land and shall inure to the benefit of and be enforceable by the Association or the Owner of any real property subject to this Declaration, their respective legal representatives, heirs, successors and assigns for a term of thirty (30) years from the date this Declaration is recorded, after which time this Declaration shall be automatically renewed and extended for successive ten (10) year periods. The number of ten (10) year renewal periods hereunder shall be unlimited with this Declaration being automatically renewed and extended upon the expiration of each ten (10) year renewal period for an additional ten (10) year period; provided, however, and subject to existing laws and ordinances, that there shall be no renewal or extension of this Declaration if prior to one (1) year in advance of an effective date of a proposed termination, at least two-thirds (2/3rds) of all Owners and all Institutional First Mortgagees on Lots affirmatively vote, in person or by proxy, at a duly held meeting of members of the Association in favor of terminating this Declaration. It shall be required that written notice of any meeting at which such proposal to terminate this Declaration is to be considered, setting forth the fact that such a proposal will be considered, to be given at least ninety (90) days in advance of said meeting. If the Association votes to terminate this Declaration, the President and Secretary shall execute a certificate which shall set forth the resolution of termination adopted by the Association, the date of the meeting of the Association at which such resolution was adopted, the date that notice of such meeting was given, the total number of votes of members of the Association, the total number of votes required to constitute a quorum at a meeting of the Association, the number of votes necessary to adopt a resolution terminating this Declaration, and the total number of votes cast against such resolution. Said certificate shall be recorded in the Public Records of Collier County, Florida and may be relied upon for the correctness of the facts contained therein as they relate to termination of this Declaration.

7.2 **Amendments.** Modifications of these Covenants shall be proposed and adopted in the following manner:

A. **Proposal.** Amendments to this Declaration may be proposed by the Board of Directors, or by written petition to the Board signed by the Owners of at least ten percent (10%) of the lots within Unit 2.

B. **Procedure.** Upon any Amendment or Amendments to this Declaration being proposed as provided above, the proposed amendment or amendments shall be submitted to a vote of the owners within Unit 2 not later than the next annual meeting for which proper notice can still be given.

C. **Vote Required.** Except as otherwise provided by law, or by specific provision of the documents, this Declaration may be amended if the proposed amendment is approved by at least fifty-one percent (51%) of the voting interests in Unit 2 who are present and voting, in person or by proxy, (i) at any meeting of the members of the Association called for that purpose; or (ii) a meeting of the members of Unit 2 called for that purpose. For the purposes of this provision, if a meeting of the members of Unit 2 is called to vote on proposed amendments (as opposed to a meeting of the members of the Association), a quorum for that meeting of the members of Unit 2 shall be established when thirty percent (30%) of the total voting interests of Unit 2 are represented, in person or by proxy, at the meeting. Alternatively, amendments may be adopted without a meeting upon approval of a majority of all voting interests of Unit 2. The Board of Directors may amend the documents to correct scrivener's errors or omissions, and amend and restate the documents in order to consolidate into one document amendments previously adopted.

D. **Certificate; Recording.** A copy of each adopted amendment shall be attached to a certificate that the amendment was duly adopted as an amendment to the Declaration, which certificate shall be in the form required by law and shall be executed by the President or Vice President of the Association with the formalities of a deed. The amendment shall be effective when the certificate and copy of the amendment is recorded in the Public Records of Collier County, Florida.

Article VIII – Transfers

8.1 **Notice to the Association**. No Lot Owner may dispose of a Lot or any ownership interest in a Lot without giving written notification to the Board of Directors at least twenty (20) days before the intended transfer. A complete copy of the Purchase application must be submitted twenty (20) days before the intended date of transfer. In addition, the notification required in this Section will not be deemed complete until the proposed transferee has: completed a personal interview with the Board of Directors or its designee if requested; signed a document attesting that the transferee read and will abide by the Governing Documents and the Rules and Regulations of the Association; and paid the transfer fee along with any Assessment amounts due to the Association by the current Owner (unless the current Owner makes provision for the payment of any past due assessments at the time of transfer). When the notification is complete, the Association shall issue a certificate indicating compliance with this provision executed by an officer or other authorized agent of the Association in recordable form and deliver it to the transferee. An Owner who has obtained title by devise, inheritance, or in a manner other than by sale or gift from a prior owner must: notify the Board of their ownership and submit to the Board a certified copy of the instrument evidencing the ownership; complete a personal interview with the Board of Directors or its designee if requested; sign a document attesting that the transferee read and will abide by the Governing Documents and the Rules and Regulations of the Association; and pay the transfer fee along with any other amounts owed to the Association in connection with the Lot.

8.2 **Processing/Transfer Fee.** The Association may require the payment of a preset processing/transfer fee in connection with the notification required pursuant to this Article.

8.3 **Failure to Give Notice.** Any sale or transfer that has been completed in violation of this Article shall be void unless the transferee subsequently submits a purchase application, completes the personal interview required by 8.1 above, and pays any transfer fees and assessments owed to the Association in connection with the Lot.

8.4 **Exception.** The provisions of this Article are not applicable to the acquisition of title by a first mortgagee who acquires title through the mortgage, whether by foreclosure or deed in lieu of foreclosure, or the Association in the event it acquires title to a Lot, but shall apply to the acquisition of title by any other person or entity without regard to how the title was acquired.

Article IX – Leasing of Homes

9.1 **Leasing Generally.** In order to foster a stable residential community, the leasing of the homes by their Owners shall be governed by this section. An Owner may only lease the entire home, and then only in accordance with this section, after receiving the approval of the Association. No room rental, subleasing, or assignment of lease rights by a Tenant or Owner is allowed. All leases of homes must be in writing. The tenant must be a natural person as opposed to an artificial entity such as a corporation, partnership, trust, etc. The following also applies to any new occupant of a Home that is over the age of eighteen (18) years that was not approved at the time the lease of the Home was approved.

9.2 **Lease Procedures.**

A. **Notice by the Owner.** An Owner intending to leases his/her home shall give to the Board of Directors or its designee written notice of such intention at least twenty (20) days prior to the first day of occupancy under the lease, together with the name and address of the proposed tenant and any person intending to occupy the home with the tenant, a fully executed copy of the proposed lease and such other information as the board may reasonably require. Application for authority to lease shall be made to the Board of Directors on such forms and include such terms as the Board may provide from time to time. The Board may require the applicant and each occupant over the age of eighteen (18) years intending to reside in the home to submit to a personal interview, national criminal background check, credit report, and tenant history report. The Association may charge the Owner a preset fee for processing the application, such fee to be determined by the Board and not to exceed the maximum amount allowed by law as then in effect. A separate fee may be charged for each person intending to occupy the Home except that a single fee may be charged to a married couple and no extra fee may be charged for minor children.

B. **Board Action**. After the required notice and all information requested has been provided, the Board shall have fifteen (15) days in which to approve or disapprove

the proposed lease. If the Board neither approves or disapproves within that time, its failure to act shall be deemed equivalent of approval and, on demand, the Board shall issue a written letter of approval to the tenant.

C. **Disapproval**. A proposed lease shall be disapproved pursuant to subsections (2) through (8) below only if a majority of the Board so votes. If disapproved, the lease shall not be made. Appropriate grounds for disapproval shall include, but not be limited to, the following:

1. The Lot Owner is delinquent in the payment of assessments, fines, and other Charges and monetary obligations against the Lot and/or Lot Owner at the time the application is considered;

2. The Lot Owner has a history of leasing the Home without obtaining approval or leasing to troublesome lessees and/or refusing to control and accept responsibility for the occupancy of the Home;

3. The real estate company or rental agent handling the leasing transaction on behalf of the Owner has a history of screening tenant applicants inadequately, recommending undesirable tenants, or entering into leases without prior Association approval.

4. The application on its face, facts discovered in connection with the Association's investigation, or the conduct of the applicant, indicate that the Person seeking approval intends to conduct himself/herself in a manner inconsistent with the Governing Documents. By way of example, but not limitation, a Tenant taking possession of the premises prior to approval by the Association as provided for herein shall constitute a presumption that the applicant's conduct is inconsistent with the Governing Documents and may constitute grounds for denial;

5. The Person seeking approval, which includes any proposed adult Occupant or Resident, has been convicted of, pled no contest to, or has been released from incarceration, probation or community control for: (a) a capital, first or second degree felony involving violence to Persons within the past ten (10) years; (b) a first or second degree felony involving illegal drugs within the past ten (10) years; (c) any felony drug offense involving the manufacture and/or distribution of illegal drugs within the past ten (10) years; or (d) a felony, within the last ten (10) years, involving sexual battery, sexual abuse, or lewd and lascivious behavior;

6. The Person seeking approval is labeled a sexual offender or a sexual predator by any governmental or quasi-governmental agency regardless of when that label occurred;

7. The Person seeking approval is currently on probation or community control for a felony involving violence to another or damage to or theft of property;

8. The Person seeking approval has a history of disruptive behavior or disregard for the rights or property of others as evidenced by his/her conduct in other housing facilities or associations, or by his/her conduct in this community as a Tenant, Resident, Occupant or Guest;

9. The Owner or Person seeking approval has failed to provide the information, fees or appearances required to process the application in a timely manner or has made material misstatements or withheld material/information during the application process;

10. The prospective tenant has a history of prior evictions; or

11. The owner has outstanding violations on their home that have not been corrected.

E. **Failure to Give Notice or Obtain Approval**. If proper notice is not given, the Board, at its discretion may approve or disapprove the lease. Any lease which is not approved or which is disapproved pursuant to the terms of this Declaration shall be void unless subsequently approved in writing by the Board. If an owner allows a tenant to take occupancy of the Home without obtaining Board approval as provided in this Section, the lease is deemed disapproved and legally void, and the Board shall have the right and authority, on its own or as an agent of the Owner, to pursue legal eviction proceedings or injunctive relief to cause the removal of the unapproved tenant; and to recover from the owner all costs, including the Association's attorney's fees, associated with the legal proceeding to cause the unapproved tenant's removal.

F. **Approval by Manager.** To facilitate approval of leases, the Board of Directors may by resolution delegate its approval powers to the property manager for the Association. If the power is delegated, only the Board of Directors shall have the power to disapprove a lease. If the property manager, after reviewing a lease and all information provided by the applicant, determines that the Association should not approve the lease, the property manager shall then forward the proposed lease to the members of the Board of Directors for their review.

9.3 **Term of Lease and Frequency of Leasing.** No lease may be for a term of less than six (6) months and no Home may be rented more than two (2) times in any calendar year. For purposes of this restriction, the first day of occupancy under the lease shall conclusively determine in which year the lease occurs. No lease may be for a period of more than one (1) year and no option for the tenant to extend or renew the lease for any additional period shall be permitted. However, the Board may, in its discretion, approve the same lease from year to year, but no automatic renewals are permitted. A lease renewal for the same approved tenant of the same owner in the same property

must submitted to the Association twenty (20) days prior to the lease expiration. No subleasing or assignment of lease rights by the tenant is allowed.

9.4 **Occupancy During Lease Term**. All homes are intended for single-family occupancy. No one but the tenant, family members within the first degree of relationship by blood, adoption or marriage, and their spouses and guests may occupy the home. Guests may only occupy the property while the tenant or the tenant's family members within the first degree of relationship are occupying the property. The Board of Directors may adopt additional rules regarding Guest occupancy during a lease term, including, but not limited to, limitations regarding number of Guests permitted to occupy the home at the same time, length of Guest stay, number of occasions for Guest occupancy, and notice requirements to the Association advising of Guest occupancy. Anyone over the age of eighteen (18) years that occupies a home for more than twenty (20) days is deemed a Tenant and subject to approval and denial by the Association.

9.5 **Occupancy in Absence of Lessee.** If a tenant is absent from the home for any period of time during the lease term, the family within the first degree of relationship already in residence may continue to occupy the home and may have houseguests subject to all the restrictions in the Governing Documents and the Rules and Regulations of the Association. If the tenant and all the family members mentioned in the foregoing sentences are absent, no other person may occupy the Home.

9.6 **Regulation by Association**. All the provision of the Governing Documents and the Association's Rules and Regulations shall be applicable and enforceable against any person occupying a home as a tenant or a guest to the same extent as the owner. A covenant on the part of each occupant to abide by the Rules and Regulations of the Association and the provisions of the Governing Documents, designating the Association as the owner's agent with authority to terminate any lease agreement, deny the tenant access on the property and evict or otherwise cause the tenant's removal in the event of breach of such covenant, shall be deemed to be included in every lease agreement, whether oral or written and whether specifically expressed in such agreement or not. The Association shall have the right to recover any costs or fees, including attorney's fees, incurred in connection with terminating a lease, evicting or otherwise causing the removal of a tenant, from the Owner which shall be secured by a continuing lien in the same manner as Assessments for common expenses, to wit, secured by a Lien for Charges. If a tenant, resident, other occupant, guest or invitee of the Owner or tenant fails to abide by the covenants, Articles of Incorporation for the Association, Bylaws or Rules and Regulations, the Owner shall be responsible for the conduct of the tenant, residents, occupants, guests and invitees and shall be subject to all remedies set forth in the Governing Documents and under Florida law, without waiver of any remedy available to the Association as to the Tenant. Any fines assessed by the Association to a tenant that remain unpaid may be assessed against the Owner and the parcel. Any legal fees incurred by the Association to collect the fines may also be assessed to the Owner and the Owner's parcel if such fees remain unpaid by the Tenant for a period of thirty (30) days after the date set for the fine to be paid.

9.7 **Association as Owner's Agent**. The Association shall have the authority to act as the owner's agent to undertake any action necessary to abate a Tenant's noncompliance, including,

without limitation, the right to file an action for eviction or injunctive relief to cause the tenant's removal in the name of the Association in its own right or as an agent of the owner. However, the Association is not otherwise considered a landlord under Chapter 83 and specifically has no obligations under Section 83.51, Florida Statutes. The tenant and Owner agree that the Association may proceed against either the Owner or the tenant or both and that the Owner and the tenant shall be jointly and severally responsible for the Association's costs and expenses, including attorney's fees, in abating a tenant's noncompliance or seeking the removal of the tenant from the Home.

9.8 **Occupancy Deemed Tenancy.** Person(s) occupying a Home for more than twenty (20) days in a calendar year that are not the Owner, approved Tenant, or member of an Owner's or approved Tenant's family within the first degree of relationship by blood, adoption or marriage shall not be deemed a guest, but, rather, shall be deemed a tenant regardless of whether a lease exists or rent is paid and shall be subject to the provisions of this Section which applies to Tenants. The purpose of this paragraph is to prohibit the circumvention of the provisions and intent of this Section and the Board of Directors of the Association shall enforce, and the Owners shall comply with the same with due regard for such purpose.

Article X – Enforcement; General Provisions.

10.1 **Enforcement.** In the event of a violation or breach of any of these restrictive covenants, the Association shall have the right to proceed at law or in equity to compel compliance to the terms hereof or to prevent the violation or breach of any of them. The failure to enforce any right, reservation, restriction, condition or limitation herein contained, however long contained, shall not be deemed a waiver of the right to do so thereafter. The invalidation by a court of any covenant herein contained shall not in any way effect any of the other covenants, which shall remain in full force and effect. Any Owner who fails or refuses to comply with the provisions of the Governing Documents or Rules and Regulations of the Association, following written warning and a reasonable opportunity to comply, shall be responsible for legal fees and expenses incurred by the Association to compel compliance. Said fees and expenses shall include pre-litigation demands and notices sent by the Association's attorney and said fees and expenses shall be an individual assessment against the Owner and become a lien against the Owner's Lot if not paid upon demand. Further, the prevailing party in any action or proceeding arising because of an alleged failure of an Owner to comply with the terms of the Governing Documents, and any and all Rules and Regulations or guidelines adopted pursuant thereto, as they may be amended from time to time, shall be entitled to recover the attorneys' fees and out-of-pocket costs actually incurred by that party at all arbitration, pretrial, trail, and appellate levels.

10.2 **Owner Compliance.** The protective covenants, conditions, restrictions and other provisions of the governing documents and the rules promulgated by the Association shall apply to members and to any other person occupying any Lot under lease from the Owner or by permission or invitation of the Owner or his tenants (express or implied), and their licensees, invitees or guests. Failure of any Owner to notify any person of the existence of the rules, or the covenants, conditions, restrictions, and other provisions of the governing documents shall not in any way act to limit or divest the Association of the power to enforce these provisions. Each

Owner shall be responsible for any and all violations by his tenants, licensees, invitees or guests and by the guests, licensees and invitees of his tenants, at any time.

10.3 **Fines.** The Board may impose a fine or fines upon an Owner, Tenant, guest or other individual for failure of the Owner, his family, guest(s), invitees, tenants or employees to comply with any covenant, restriction, rule or regulation contained herein or promulgated pursuant to the Governing Documents or the Association's Rules and Regulations. Fines shall be in amounts deemed necessary by the Board to deter future violations, but in no event shall any fine exceed $100 per violation per day or $2,500 in the aggregate in a quarter for an ongoing violation.

10.4 **No Election of Remedies.** All rights, remedies and privileges granted to the Association or Owners under the law and the Governing Documents shall be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising any other rights, remedies, or privileges that may be available.

10.5 **Interpretation; Disputes.** The Board of Directors is responsible for interpreting the provisions of these covenants, the Articles of Incorporation, Bylaws, and Rules and Regulations promulgated by the Board. Such interpretation shall be binding upon all parties unless wholly unreasonable. A written opinion rendered by legal counsel retained by the Board that an interpretation adopted by the Board is not unreasonable shall conclusively establish the validity of such interpretation. In the event there is any dispute as to whether the use of the Lot complies with the covenants and restrictions contained in these covenants, the Articles of Incorporation, Bylaws, and Rules and Regulations promulgated by the Board the matter shall be referred to the Board and the determination of the Board with respect to such dispute shall be dispositive on the issue and binding on all parties.

10.6 **Use of Singular and Plural and Gender.** Whenever the context so permits, the use of the singular shall include the plural and the plural shall include the singular, and the use of any gender shall be deemed to include all genders.

10.7 **Headings.** The headings used in the Governing Documents are for reference purposes only, and do not constitute substantive matter to be considered in construing the terms and provisions of these documents.
